

Lancaster Public Library

Goals for Success

1. Create a shared community gathering space that will be considered as important as the courthouse and complimentary.
2. Provide a building plan that implements all of the programmatic requirements of the project's constituent organizations.
3. Provide barrier free access for everyone.
4. The facility will attract more visitors to the community and facility.
5. Improve the visible identity for each entity use.
6. Create a potential for a variety of performances at the facility.
7. Create an extension of the school district learning environment.
8. The project should be completed on time and within budget.
9. The facility should be easily expandable in the future.
10. Design should maximize staffing efficiencies.
11. Balance the needs of the facility users and the residential neighborhood.
12. Facility shall be designed to minimize operating costs through efficient equipment and durable materials.
13. Respect the open green space of the park.
14. Artifacts must be on display.
15. The expansion design should respect and complement the current facility.
16. Library artwork shall be accommodated.
17. Plan for all constituent organizations.
