

Be One of Our 100 Women!

.....

We are raising money to turn our library into a community center for Lancaster's future generations. Women from the community are an important part of this project. We need 100 women to pledge \$1000 (over 5 years—that's \$200 per year). Take a look at the back of this card to see how affordable that can be!

.....

.....

In 1901 and 1902, the Woman's Club in Lancaster worked hard to bring our community a free public library. They raised the money for a location, books, and staff, and they created the first public library in Grant County under state law. Although the library looks different than it did back then, one thing hasn't changed—the number of forward-thinking women who support and encourage the library's growth and success.

Be One of Our 100 Women!

.....

We know \$1000 sounds like a lot, but remember that you can make your pledge over five years.

Here's the breakdown:

Over 5 years, your total contribution would be \$1000.

That equals:

\$200 per year

OR

\$16.67 per month

OR

\$7.70 bi-weekly

OR

\$3.85 per week

OR

\$0.55 per day

.....

For more information or to turn in your pledge, call the library at

608-723-7304

or stop in at

113 West Elm Street, Lancaster, WI.
