Online catalog		·	
Upgrade catalog to latest version	in Process	Melissa	Need to schedule with SirsiDynix. They'll upgrade Test first, we'll test for a bit. Then will need to
			schedule upgrade on Production.
Catalog updates	in Planning	Melissa,	Improve access to various features, possible Niche integration, some "re-modeling & re-
		Karla	decorating."
Symphony and WorkFlows			
Piloting New BC Acquisition software	In Process	Melissa,	Found a bug with software, getting Crystal more in-depth training, looking towards downloading
		Crystal,	records from vendor directly into BC Acq.
		Karla	
Investigate how to improve Symphony	Mostly Done	Karla, Meli	Still a few tweaks here & there. Would like to get 9xx setup with Midwest Tapes and Baker &
Acquisitions usage		ssa	Taylor.
Local Database Maintenance			
Create Volunteer database for Fond du Lac,	On hold	Keetra	Application and search screen complete, now working on additional backend functionality.
Menasha, Oshkosh			
Create cemetery index database for Berlin	On hold	Keetra	Was thinking something similar to Oshkosh's index. Berlin has quite a few indexes in Excel. If other
			libraries are interested, perhaps a combined cemetery index similar to the vital index?
Create Newspaper database for Fond du Lac,	On hold	Keetra	Advised Fond du Lac on data entry setup that will blend with already existing (but recently
perhaps a combined database like Vital			decommissioned) databases for Oshkosh & Menasha. Scripting has begun (retooling existing
			decommissioned scripts). Fond du Lac working on normalization of data for import.

Winnefox Technology Update

Retool Research database backend in MySQL	In Process	Keetra	The goal of this project would be to discontinue maintaining separate Research pages and instead have library websites be able to query directly from the database to display the resources. Data aggregation is complete and Keetrais working on minor scripting changes to work with Jay's
			Research DB API.
Create a "Winnefox Directory" database of sorts to	On Hold?	Keetra,	There was discussion on creating a database for staff that would include hours, contact
include hours open.		Others?	information, etc. but there may be other options for this information such as Sharepoint. Further
			investigation/discussion is needed.
Website development and support			
Oshkosh Public Library website	In Process	Jay	Design completed, moving into development.
Mass migrate or rebuild sites before software EOL	In Process	Jay	All of the Drupal 7 sites (28) are nearing EOL. Each of these sites will need to be upgraded.
