

### **WELCOME!**

Welcome to the 2023 Virtual Performers Showcase! The WLA Youth Services Section Board thanks you for joining us for a spectacular display of talent from artists dedicated to educating and entertaining children of all ages. Our hope is that you will be both delighted and inspired, and also moved to invite these performers to your community. And that in some small way, we helped you make your planning a bit easier and your library's programming that much more amazing.

Today's event wouldn't have been possible without the encouragement and inspiration from the Bridges Library System. Additional gratitude for the leadership of our WLA Director Laura Sauser, DPI Public Library Consultant Jeni Schomber, WLA Board Liaison Linda Jerome, YSS Chair-Elect Cathy Pecinski, and the rest of the YSS Board.

**Alison Loewen** 2023 YSS Chair

### AJANTA - INDIAN DANCES & CULTURAL STORIES

Hi, I am Ajanta, a bestselling author of Maya/Neel books and cofounder of Bollywood & Culture Groove. Our work revolves around our mission to help "Raise Multicultural Kids" and we do this by creating extremely fun and engaging cultural education workshops around Indian culture.

Our workshop includes:

- a. Stories from our Maya/Neel books (BollyGroove.com/books).
- b. Sharing vivid visuals and engaging facts about whichever festival or topic we pick.
- c. Incredibly fun movements that enact the information they learn.

By the end of the workshop, attendees will have tried a fun dance routine that enacts the celebration and will walk away with an understanding of the joy and meaning of the festival or topic. The content is completely non-religious.

Sample of a virtual workshop: <a href="https://youtu.be/N3OFtXLP0xQ?si=KNw3CU1OYJjwSeqZ">https://youtu.be/N3OFtXLP0xQ?si=KNw3CU1OYJjwSeqZ</a> Sample of an in-person workshop: <a href="https://www.youtube.com/watch?v=TSTOSyfF2ul">https://www.youtube.com/watch?v=TSTOSyfF2ul</a>

His show has been a favorite at special events around the country.

### **MUSIC AT THE BLISSFUL**

I'm Evan from Music at the Blissful, an award-winning, nationally touring musician based in the Jamaica Plain area of Boston. Our events are characterized by crowd participation, a focus on movement, and a whole lot of fun for everyone involved. I believe you'll notice that I bring a wealth of goodness, kindness, joy, and happiness to children and their families.

In this year's Boston Parents Paper Awards, I was honored to be a top finalist for the best early childhood music classes and kids' birthday party entertainment. Music at the Blissful encompasses music, children's concerts, videos, baby music classes, toddler music classes, and classes for young children. Our offerings not only entertain young minds but also contribute to children's mental, physical, emotional, cognitive, and language development. Additionally, they foster a sense of community and kindness, both within families and between families.

The mission of Music at the Blissful is to create music and experiences that enable children and families to grow, learn, and become the best versions of themselves. I bring communities together to promote a deeper sense of belonging and to uplift everyone's mood, education, and connection.

The new album, "What's Next," is set to be released in February 2024, and the new book based on the song "The Truck Song" will be available in spring 2023.

Performance Category: Cultural (Storytelling, Dance, Music,

Puppetry, etc.)
