

Enterprise (Catalog) Implementations

Catalogs with additional features:

Fort Vancouver - https://fvrl.ent.sirsi.net/client/en_US/catalog :

Features :

- New Format of Book Carousels – These are a more “Netflix-inspired” carousel, showing titles laid out
- Search Limits of Formats
- Search Results Filters Collapsed by Default
- Separate tabs for Formats on Search Results (Physical, eBooks, CloudSource OA)

Calumet City Library (of SWAN) - https://catalog.swanlibraries.net/client/en_US/ccs

Features:

- Expanding scope for holding table “Click for more libraries”.
 - o Another example can be found by searching the SHARE catalog:
https://ent.sharelibraries.info/client/en_US/fontana/
- Enriched content pulled out to right side, not under a tab (this can help content get used more)

SAILS - https://sails.ent.sirsi.net/client/en_US/default

Features:

- FRBR-ish
 - o Groups formats of the same title together
 - o Based on matchpoint of ISBN; might need cataloging work to implement.

Greater Victoria Public Library - https://gvpl.ent.sirsidynix.net/client/en_US/default

Features:

- Harvest Unleashed
 - o Adds additional information to the records the catalog uses to search, which then allows for filtering by recently (“items added within the last week”), and additional features

Catalogs with interesting features in their layouts.

All layouts must be applied system-wide, and any resources linked to from the layouts would likewise have to be available system-wide. Applicable resources found in many of the four following examples would be: eContent (both Overdrive and EBSCO); Online registration; PIN Reset; Link to our app; Links to “Get Help”; Subject searches into the catalog.

Cabarrus County – https://cabarrus.ent.sirsi.net/client/en_US/default

Features:

- Tabs across the top linking to additional pages.
 - o Mimicked by links to the same pages down the lower left column

Houston Public Library – <http://catalog.houstonlibrary.org>

Features:

- Uses graphics and images for links to resources.
- Right-most column contains list of searches for new items in the catalog

Chisholm Library – https://chisholm.ent.sirsidynix.net.au/client/en_GB/home

Features:

- Large grid of resources on the front page, similar to websites of some Winnefox libraries

South Australia Public Libraries – https://www.libraries.sa.gov.au/client/en_AU/sapubliclibraries

Features:

- Front page with an “endless scroll” of library resources and catalog features
