additional passports ordered/printed:

TALLY SHEET & INSTRUCTIONS

- Offer visitors collecting stamps a sticker or button (provided by Winnefox)
- 4 stamps in one county gets an entry form. Cross out (X) the stamps that were used to earn the entry so they don't get used twice.
- A blackout (all libraries) in a county earns an additional entry form.

IN-PERSON PARTICIPANTS

- Passport stamping should NOT be self-service
- Stamp the gray star in your library's information.
- Immediately add a tally to this sheet as well. The tally sheet tracks visits.
- Add a tally if they have completed a county or all libraries.

IN-PERSON PARTICIPANTS

- Phone participants will be asking for a fact about your library or community.
- Once you've answered, give your library's code (at the top of this sheet).
- Immediately add a tally to this sheet as you would an in-person visit
- Participants must come to the library to collect their entry slips - may collect for multiple counties at one library.
