

Chart Critique*

The purpose of these charts is to inform the community about library computer use. In groups, answer the following questions: 1) What is wrong with these charts (chart type, formatting, etc.)? 2) How can they be improved?

Chart #1:

Chart 3.2: Percentage of Rock Creek Public Library patrons who used PACs for the following activities:

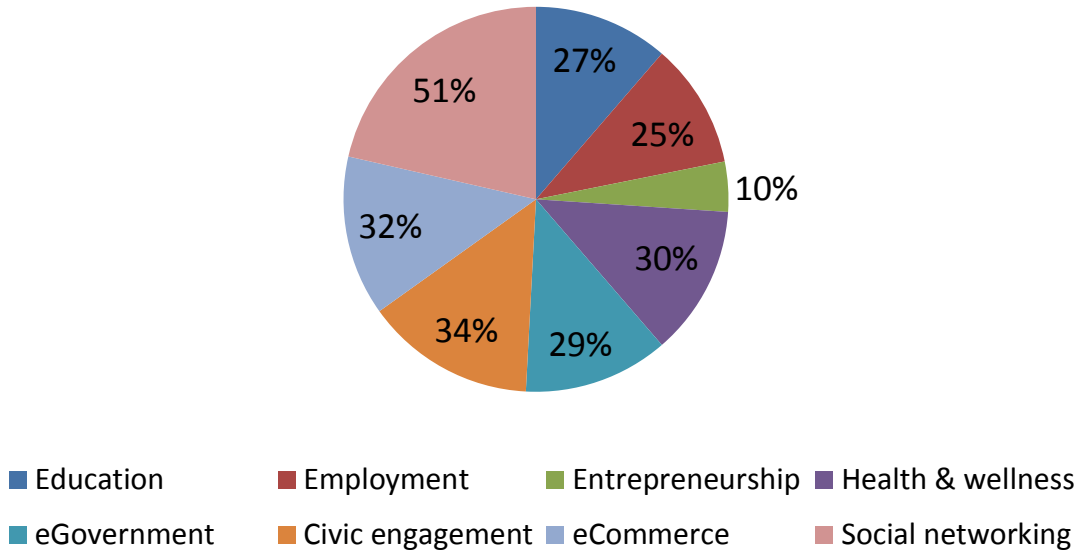

Chart #2:

**Stony Brook Public Library:
Employment Tasks Patrons Completed Using Library Computers**

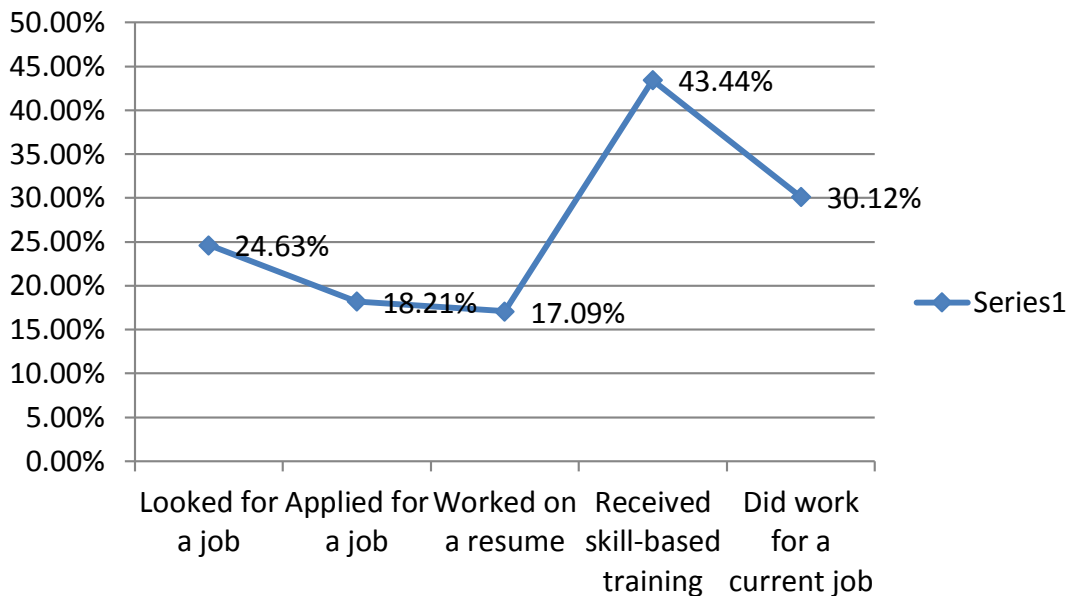

Chart #3:

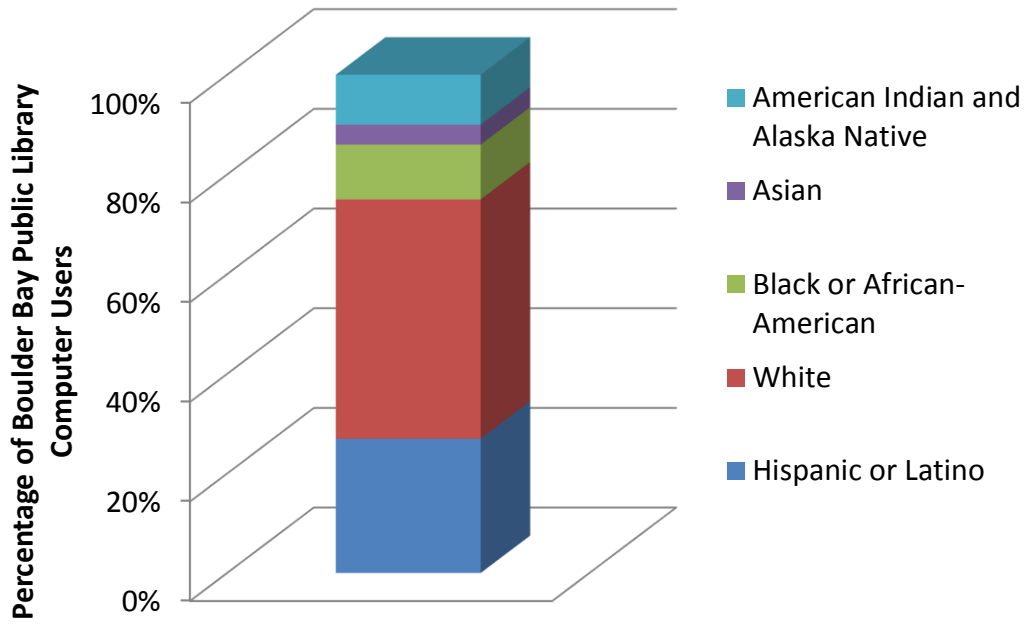

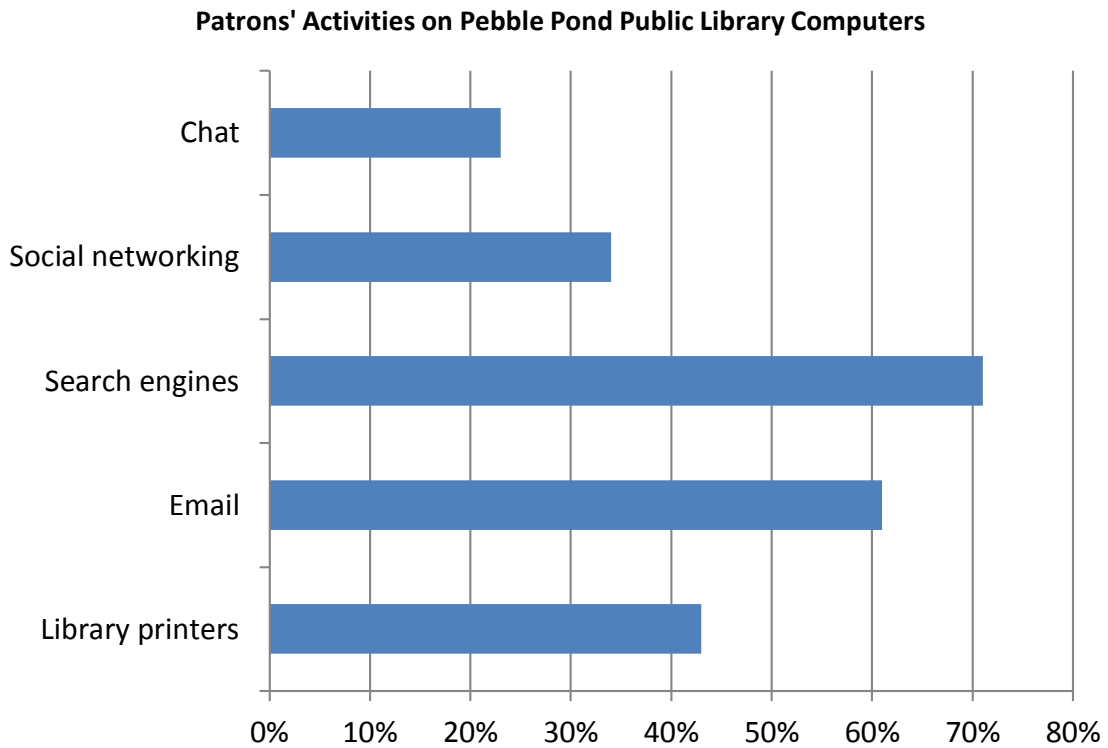

Chart #4:

(Created by Linda Hofschire, Research Analyst, Library Research Service, Colorado State Library)
