WPLC
Wisconsin Public Library Consortium

For Readers: Libby

Pros

- Simple, streamlined and easier to use
- Sign into multiple libraries using different cards
- Download for offline use
- More customizable view of collection
- Holds have expected wait time (also a con!)

Cons

- Not compatible with Kindle tablets or videos
- No recommend titles option
- Not able to create wishlists
- No sharing titles

AUTOMATICALLY DOWNLOAD?

Everything
All borrowed titles will be added to the download queue automatically.

Titles under 20 megabytes
Most books are under 20mb, but audiobooks are often in excess of 300mb, and graphic novels are typically over 100mb. To manually download an excluded title, tap the cloud icon on the shelf.

Nothing
Each title will stream, and will be unavailable offline, unless you choose to download it manually.

DOWNLOAD ONLY ON WI-FI
Reduces mobile data usage.

Here you can change the default settings of new holds.

SEND HOLD NOTICES TO

email address...

For new holds, you will receive a courtesy email to this address when the hold is ready to borrow. If you are under 13 years old, enter the email address of your parent or guardian.

BORROW HOLDS AUTOMATICALLY
When a hold becomes available, it will be borrowed for you automatically, as long as you are not at your loans limit for that library card.

HOLD STATE **Active**

You can suspend holds when you have too much to read, or too little time. Your hold will progress while suspended. Other people move ahead of you only when you're at the front of the queue.

All of your existing holds have these settings.
